

MELTING CHEESE

ENHANCE RECIPES *with*

SUPERIOR TASTE, CONSISTENCY AND FUNCTIONALITY

Our **Pasteurized Process American cheese** is the new standard for full flavor melting cheese. It has a high cheese content that delivers a rich, smooth melt. Its superior hot-hold consistency and flavor of handcrafted Wisconsin cheese makes it the perfect choice for delicious queso, yummy macaroni & cheese or your signature recipe.

“Having another ***national brand*** to choose from was important to us. We were pleasantly surprised when we worked with Welcome Foodservice to find a cheese ***that works perfectly in our recipe*** without having to change it.”
